CALON

"Heart" : Welsh

**"YOU GAVE ME SUMMER
WHEN I GAVE YOU RAIN
YOU COULD FILL UP THE
CUP AND I'D GET DRUNK
OFF YOU AGAIN..."**

"A JAZZY WELSH WIZARD - A GUARANTEED GREAT LIVE SHOW!"

Tom Bright

Calon is the artist name for Adam Lewis, a singer-songwriter originally from South-West Wales.

Now based in London, he has been pursuing live music ranging from local open mics to playing larger venues such as The Troubadour and The Bedford.

Influenced by Jeff Buckley, Radiohead and Elliot Smith, his hairpin guitar melodies and candid lyrics transport audiences with personal, honest snapshots of desire and rumination.

With songwriting described as "soulful and reflective", and live performances that "balance sophistication and sincerity", Calon invites you to the birthplace of each song.

Calon has previously supported acts such as The Heavy Heavy, Sans Soucis, Neev and Anna Nokomis. 2023 sees the release of his debut EP, "Matryoshka", with the eponymous title track being released on Jan 20 2023.
